

Looking for that perfect layout? The Thames has it all! A guest suite with ensuite also doubles as the downstairs bathroom. The family, kitchen, dining and outdoor living shapes around to create a private outdoor area, great for the kids. Upstairs, whether its entertaining, reading a book in a quite lounge or studying, there's a space for all. You will only have to look at the master suite once to fall in love with it's mirrored walk in robes, double vanity and private toilet and shower layout. This home truly has it all.
